Aanderaa is presenting the optimal Wave Solutions at Ocean Business 2019

It's happening in **The Ray Beverton Room, 044/11** and at **stand H4**

Aanderaa is bringing its ocean & coastal monitoring solutions to Ocean Business. The show offers a fantastic forum for industry professionals, government officials and students alike the chance to share knowledge and connect.

It is with great excitement that we invite you to our launch presentation of the SeaGuardII DCP Wave on the topic:

Measuring waves from surface and seabed with the MOTUS Buoy and the new SeaGuardII DCP Wave/Current Profiler - comparison and experiences.

The Presentations will take place in The Ray Beverton Room 044/11 on:

Tuesday April 9th, 9.30am
Thursday April 11th, 10.30am

Please register below or stop by our stand, H4, to secure your seat and meet experts from all our ocean & coastal brands.
